KENT KWIK NEWS

“

Christmas is the spirit of giving without a thought of getting. It is happiness because we see joy in people. It is forgetting self and finding time for others. It is discarding the meaningless and stressing the true values.”

THOMAS S. MONSON

Giving back to our community! Kent went out to Orchard nursing home and donated snacks and care packages to 50 residents last week. They really enjoyed the company, snacks, and goodies!

Last night my daughter Emaly and I flew around Midland and Odessa to check out Christmas lights! It was Emaly's first time even getting on an airplane so made it even more special AND FUN! And I of course had to snap a pic of Kent Kwik 318!

KENT KWIK NEWS

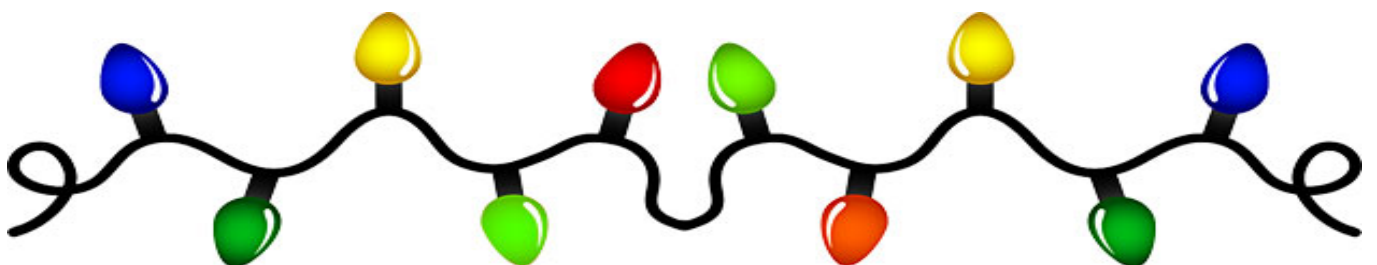

I just want to say thank you to Bill and Julie Kent for the beautiful flowers and also thank you to the Kent family for helping me in time of need with the passing of my mother. I was super stressed and Olga and the Kent Team came to my rescue. I felt like giving up, and with Olga's

kind words pushed me through this difficult time. So again thank you, Kent Family. -Deedra at 302

SAFETY NEWS

KEEPING SAFETY IN SIGHT

Safety: much like Santa a mythical character that people either believe in or they do not.

Think a minute about this. Do you really believe in Santa oops mis type, I meant Safety?

Safety much like Santa is in the spirit and unseen. We use the phrase maybe Santa will bring it. That is often how most view Safety. Many of the guru's out there warn that when building safety programs, you will face two types of people; those that believe and those that do not.

As programs are introduced going forward which will you be? Safety starts with each one of us and we can not count on Santa to deliver it to us. Each day there is a Safety habit we perform, and we simply do not realize it. The common theme I hear in the field from all entities is: "we do not have that many issues". Do we believe that to be true?

Overall, as a company we practice safety very well. However, if we lose that spirit of believing in Santa oops mis type again (Safety) we loose sight of what is important to us and that is Keeping Safety in Sight and Nothing is Too Small.
