MR. PAYROLL NEWS

The Mr. Payroll Family wants to show appreciation for one of our hardest working and most Guest-focused managers, Araceli.

Araceli started with The Kent Companies 4 years ago as a cashier, before transferring to Mr. Payroll. She takes pride in making sure all of her Guests are taken care of every time they visit. She enjoys building life long bonds with her Guests and fellow Team Members here at The Kent Companies.

Araceli also loves to write, read, cook and spend time with her kids and grand babies. She is very close to her 4 children and has 2 grand babies, a boy and a one month old grand daughter. She is also very excited to have another grand baby on the way. Even though the rest of her family lives out of town they remain very close and are always excited to spend time together. They love to go out and have fun playing bowling, sports, shooting pool and swimming. Thank you for everything you do, Araceli.

SAFETY NEWS

Keeping Safety in Sight

Nothing is too Small!

Safety Definition: to ensure safe and healthful working conditions for Team Members by setting and enforcing standards by providing training, outreach, education, and assistance.

Pedestrian safety tips

Cross in a crosswalk whenever possible

Stay alert: Do not look down at electronic devices

Make eye contact with drivers if entering traffic

Avoid using drugs or alcohol whenever out in public

Watch out for cars entering or exiting driveways

Wear reflective materials or use a flashlight at night

Holidays are a very busy time for everyone. Please, take extra caution when driving through parking lots. It's hard to see everyone walking, and keep in mind children often running around. So put all cell phones and distractions away while driving and stay alert!
