This is not about a bad driver but about the good people who still exist in this world. Today after getting a flat on my way to Midland from Odessa I couldn't get roadside assistance to go help me. I asked a random person at the pump for help, without hesitation he said he would change my tire and wouldn't accept payment. These employees at Kent kwik at 6101 Andrew's hwy in midland are the best! From the gentlemen who changed the tire to the cashier who offered me a warm drink. God is good all the time

(Left): Thank you to Garrett, from fuel maintenance, for stepping up to change a Guest's tire when they needed help.

Luis, Midland Porter, purchased a new car! Congratulations, Luis!

REVIEWS OF THE WEEK! WESTEX 9102

"Always quick and friendly. The staff is always excellent! Place is very clean which is great for all the germs that walk through the doors."

"The care was outstanding. The staff and physician were particularly great. They were efficient, caring and I felt like I was talking to one of my sisters (I have 5). I am feeling much better since taking the medicines prescribed. I hope I don't get sick again but if I do I definitely return to your clinic. Thank you very much."
