MAINTENANCE NEWS

Meet Tim Mauldin, Maintenance Technician!

You may have heard his name called at The Kent Companies 2025 Annual Awards Banquet. Tim is celebrating 20 amazing years with the company.

He started in our maintenance department and has stuck with it all these years! Now, he's our Maintenance Technician in South Carolina. He says hard work and dedication have helped him excel, and the fantastic Team around him has made this place feel like home.

"I love the feeling of being in one big family where everyone has the same goal in mind," Tim said.

Tim was born in South Carolina and moved to Florida when he was 4 years old. Before joining our Team in South Carolina, he worked in HVAC for two years in Texas.

Outside of work, Tim has been married for 39 years. He and his wife have two sons, Tim Jr. and Jeff, and one daughter, Jamie. They also have a grandson, Julian, who lives with them now. Rounding out the family are their two dogs, Bandit and Lily.

Tim enjoys fishing, watching races and absolutely loves the mountains.

Thank you, Tim, for all your hard work and dedication to the Team! We look forward to many more years with you!
