Meet the Team at 9108 in Andrews, TX!

Since opening on May 7, 2024, the incredible Team has become a trusted part of the community. Word about our care is spreading quickly. So much so, that even two adorable corgis stopped by to see what all the excitement was about. They loved their visit so much they didn't want to leave when their mom arrived!

Behind the scenes, our UPS driver, Brandon and CPL lab courier, Thelma, help keep our day-to-day operations running seamlessly, truly becoming part of our extended Team. Like any clinic, we experience good days, tough days, and everything in between, but through it all, we remain committed to serving our community with compassion and excellence. We look forward to continuing to grow, learn, and provide the very best care possible.
