Kent Way Moment Spotlight: Jody – Deli Manager, Store 921

At Kent Kwik Store 921, excellence is built through consistency, pride, and leadership — and Jody, Deli Manager at 921, exemplifies all three every day. The images above highlight something truly special. The oven and cooking station — equipment that has been in service for over a decade — remain clean, well-maintained, and fully operational. This level of care is not accidental; it reflects Jody's leadership, attention to detail, and commitment to doing things the right way.

As Deli Manager, Jody sets the tone for the entire Team. By prioritizing cleanliness and upkeep, Jody ensures that the deli operates efficiently, safely, and at a level that supports an exceptional Guest experience. This daily discipline directly reflects two of our foundational core values: Taking Care of the Guest and Protecting Company Assets. Jody's leadership is a clear example of a Kent Way Moment — choosing to go above and beyond expectations, not for recognition, but because it is the right thing to do. Maintaining aging equipment to this standard demonstrates pride in the operation, ownership of results, and a deep commitment to both the Guest and the company.

Thank you, Jody, for your leadership, your consistency, and for setting the bar high at 921. Your efforts continue to make a lasting impact and truly represent the Kent Way in action.

Summer is here, that means school is out and it is deep cleaning day at Baskin Robbins in Odessa! Thank you to, Alyssa, Kayla, and Angie for helping clean everything and to Thomas, Camila and Charli for coming in on a day off to assist.
